

SCAPPA MONTHLY MEMBER HIGHLIGHT:

ALEXIS WILLIAMS

What is your favorite place to visit?

My favorite place visit is Mannheim, Germany. I participated in an exchange program the summer of my senior year in high school and absolutely loved it! I was in Germany during the final games of the World Cup; I was able to experience Europeans love for soccer. It is surprisingly more dramatic and emotional than American's love for football! Though the food was awesome, I gained 15 pounds over the course of 6 weeks and had to buy new clothes. FYI If you ever visit Germany, stay away from the potatoes!!!!

What do you enjoy doing in your free time?

I truly enjoy traveling and watching any sport with the exception of hockey. I also love to try new restaurants, bizarre dishes in the CSRA (I'm a foodie!) and relaxing whenever the opportunity presents itself.

What is your favorite food?

I don't have a favorite food per se, but if I had to choose I'd definitely say Japanese food, fried calamari or sushi. One of the more bizarre dishes I've eaten is escargot, which wasn't too bad at all! I just imagined they were mushrooms instead of snails.

What is something interesting about yourself?

A lot of people don't know that at one time I was an extreme couponer. I had a coupon binder so I was legit! I currently coupon lightly but not as often as I had in previous years. My schedule is too busy to dedicate the necessary time to coupon as drastically as I had in the past. I love a good deal.

What do you enjoy most about your job?

I mostly enjoy working with the children. Seeing their faces light up when "Ms. Alexis" walks in the door makes my heart smile. I also love being able to pour meaningful and accurate knowledge into the students in efforts to deter them from drug use.

How long have you worked in this field?

I have been in the fun field of prevention for 3.5 years.
