

SCAPPA MONTHLY MEMBER HIGHLIGHT:

KRISTY STONEBURNER

What do you enjoy doing in your free time?

I love spending time with my husband and two sweet girls! I also love to cook and travel.

How long have you worked in this field?

I've worked for LRADAC for almost 10 years. I've been a coalition coordinator and now serve as a Regional Capacity Coach coordinating training and technical assistance for agencies and coalitions in Region 2. Prior to LRADAC I worked in teen pregnancy prevention with the SC Campaign to Prevent Teen Pregnancy.

What do you enjoy most about your job?

I love people! And I love that every day offers a new challenge. Every community is unique and so are the solutions to address each community's substance use problems.

What is your favorite food? Oh that's so hard – I have so many! I just love to eat (as many of you know). Fried chicken tops the list, but I also love pizza, macaroni, tacos, sushi...and the list goes on!

What is your favorite place to visit? My husband and I traveled to Peru for our honeymoon. Although I'm not very well-traveled, that, by far, is the most amazing place I've ever been. We had a chance to hike to the top of Machu Picchu which offers one of the most incredible views on this earth!!! Closer to home, we visit the beach pretty frequently and spend much of our free time in the summer there with our family.

What is something interesting about yourself?

Don't know that I'm all that interesting. Some people consider the fact that I'm a twin and left-handed pretty fascinating. I'm always looking for a new hobby...in the past I've taken sewing classes and have gotten a certificate in interior design from Midlands Tech. Who know what I might try next?! I welcome any suggestions.
