

SCAPPA MONTHLY MEMBER HIGHLIGHT: MELODY REID

What is your favorite place to visit?

I absolutely love the beach, any beach any where!

How long have you worked in this field?

I've been in the field of Prevention for 18 years. I started out in Community Outreach and progressed my way through all paths of prevention. There is nothing I haven't tried when it comes to prevention.

What do you enjoy most about your job?

I love what I do, it gives me a sense of hope, we have come a long way in prevention and I have been able to watch it change and blossom over the years and have enjoyed every moment of it. We are constantly developing programs and tools to better our field. It warms my heart to know that I have played a part in making a whole community better by my efforts and collaboration with others.

What do you enjoy doing in your free time?

Spending quality time with my family and friends. I am a sports fanatic as well, so I am constantly watching them or attending them. I am a big organizer. So I organize any and everything you can think of.

What is your favorite food?

My favorite foods are, I LOVE to eat as most of you can tell, so picking just one is not an option for me but my top 5 are, Japanese, Mexican, Mac & Cheese, Any kind of Pasta and Fruit.

What is something interesting about yourself?

I have a huge family. My Father was the only boy out of 8 children and my Mother was also 1 out of 8 children. So our family gatherings are crowded, lol.... I love being a part of such a big family, my life is never dull and that helps my ADHD as well, because it will kick in at any moment. (HaHaHa)
